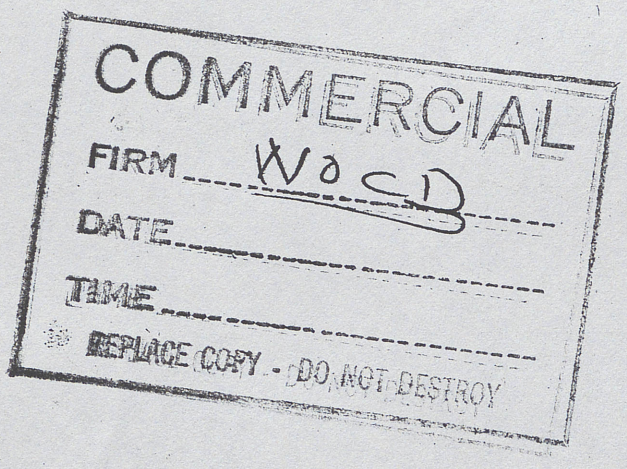
To Whom it may concern:
I was told to write up a 20-second plug for "The Quarterback Club".

This plug is to be given Friday night, Saturday morning, Sunday night, and Monday morning, one time each.

DON'T FORGET to change the references to 'Monday night' when you give it Monday morning. Make them read 'TONIGHT'.

- Dick Mooney

"Monday night marks the premiere of WOCD's feature sports show "The Quarterback Club." On this weekly broadcast, to be heard for the duration of the football season, WOCD, with Chuck Friend at the mike, will bring you the best of Yale's 1944 Football team, with their own comments on the contest of the preceding Saturday and forecasts for coming engagements. ~~for coming engagement~~ On the first program you will hear Head Coach Howie Odell, and Mac Whiting captain of this year's varsity squad, Don't forget to tune in for WOCD's brand new feature, this Monday night and every Monday night for the next eight weeks at 8:30. Remember.....it's the "Quarterback Club"."



Put this in the clip for the next broadcast as soon as it has been announced.

DON'T DESTROY!
